I was re-reading the emails from yesterday and realized that I wrote that Tuesday I would have a problem, instead of that I probably would NOT have a problem, so if you want to scratch today and set up a time on Tuesday, that would be fine. Just let me know so I can let the ADAs in Holyoke (and Springfield) know that I have a Superior Court case that day as well, and that I can check in with them after I am done with your case. Sorry for the confusion.

I'm on call for 3 district court cases in Springfield and 2 in Holyoke on Tuesday, October 12th, so I should have a problem being there.
